

SKIN CONSULTATION

Our MSL nurses can tailor a treatment plan just for you and the consultation fee can be taken off the cost of any products or treatments you purchase on the day. This is a great option if you are unsure which treatments or products are best for you and would like to know more about how to care for your skin.

30 minute skin consultation \$50

COSMETIC AESTHETIC TREATMENTS

During a thorough consultation with our Aesthetic Nurse we can assess your skin and medical suitability to tailor a personalized skin treatment.

The most accurate way to understand cost is during a consultation with one of our Aesthetic Nurses. Due to TGA and AHPRA regulation we are not permitted to advertise costs for S4 medications.
